I have read and understand the wetland requirements of the South Carolina State Housing Finance and Development Authority's Small Rental Development Program. My signature below certifies that I have followed the Authority's requirements in the preparation of this Identification of Wetlands Certification submitted as part of the application for the above identified project.

I have followed the below requirements of the SRDP Application Manual:

- 1. I have made my determination in accordance with the 1989 Federal Manual for Identifying and Delineating Wetlands (This is a HUD requirement).
- 2. I have provided with the Exhibit 21, a National Wetlands Inventory Map. I understand that the NWI map cannot be relied upon as stand-alone documentation and **additional documentation is included** with this scientifically defensible determination along with documentation of my credentials to perform this service.

The parcel(s) for the proposed project site identified above DO NOT contain any jurisdictional or non-jurisdictional wetlands.

The parcel(s) for the proposed project site identified above DOES contain jurisdictional and/or non-jurisdictional wetlands. The wetlands identified on the parcel(s) of the proposed project site are \_\_\_\_\_ acres in size, rendering the buildable percentage at \_\_\_\_\_%.

**Wetland Professional's Certification:** I certify that I have the appropriate credentials to make this scientifically defensible determination and that neither I nor the company I work for have any financial interest in the proposed SRDP application other than in the practice of our profession.
