Please explain how these funds will be used to provide a public benefit:

For several years Marion County Habitat for Humanity received calls from citizens in Dillon County in need of new affordable housing or repairs on their existing home. During this time, our Habitat affiliate was unable to respond to these needs due to Dillon County being out of our Geographical Service Area (GSA). In late 2022, Habitat for Humanity International approved our request to expand our GSA to include that of Dillon County. With this expansion, an office location is needed for a point-of-contact for the citizens of Dillon County.
