Subject: [External] 2024 QAP Comment

Good Morning,

As discussed we have several renovation projects teed up for our public housing sites so I would like to make the following request to change Appendix C2 – tax exempt bonds paragraph 9.

“The Authority will not award more than two (2) application per any funding cycle to any member of the development team. **Applicants may request a waiver for previously submitted applications that did not receive an award.**”

Thank you for your consideration.

Peter G. Sherman
Director of Development
Housing Authority of the City of Charleston
550 Meeting Street
Charleston, SC 29403
